Step 1:

Measure how many bends you need and set the position for each piece of bead.

Step 2:

Draft the area of each bead on the photo frame.

Step 3:

Doodling the pattern you want by following the circle draft area and use the blue tab or glue to stick the bead.

Step 4:

Same way to do for the bead piece by piece.

Step 5:

After adding the bead on the photo frame, lets decorate by doodling.

Step 6:

Decorate by painting with the glitter glue and let it dry in 1 hour.
